TO: New Recruits  
FROM: Training and Safety Office  
RE: Notification of Requirements and Conditional Offer of Acceptance

This memo is to confirm our conditional offer of acceptance of your application as Volunteer.

As a condition of acceptance, you will be required to have an adult physical exam, including a drug test, by the VIFR physician at the district's expense. You will also be required to clear a Washington State Patrol Background Check and Confidential Disclosure Notice, a Department of Justice/INS Form I-9 and a form W-4. You will also be required to go through a physical agility test.

When these requirements are completed satisfactorily, you will be transitioned into the next phase of the acceptance process (volunteer) with VIFR.
