With Disaster Preparedness so prevalent in our thoughts these days, we are updating our emergency contact information. Even though you may have filled it out in the past, please do so again so we can check for accuracy.

Also, if you are willing to share it with us, we would like to log your blood type in our database. This information is confidential and would only be used in the event of a disaster where a need might arise or an unforeseen injury where you were unable to speak for yourself.
