Extended at 17:45 for 15 more minutes by Chair Johnson

Executive Session ended at 18:01

## Statement

Chair Andy Johnson:

“Thank you all for your attendance as we appreciate that this is a very polarized issue. The purpose of tonight’s meeting was to discuss Proclamation 21-14 and its impacts on VIFR. No action was taken. The Proclamation will become effective as of October 19, 2021. To date, there has been no legal challenge to the Proclamation and therefore it will be law. We do not have concerns with compliance at this time as the Proclamation is not yet in effect. The Board does have concerns whether Chief Krimmert will be fully vaccinated by that time. Unless he has been granted an exemption for medical reasons or a deeply held religious belief, he will not be in compliance. Under no circumstances will any employee or volunteer of VIFR delivery health care after that date if they are not fully vaccinated.”

Adjourned at 18:10
